

The Nigerian Electricity Regulatory Commission recently issued the Order on Procurements by Successor Electricity Distribution Licensees ("DisCos") for the execution of the capital projects with the Central Bank of Nigeria ("CBN") CAPEX loan. This order requires all Distribution Licensees to engage the services of qualified and competent potential bidders to ensure the execution of Capital Projects within EKEDC's network.

EKEDC' wishes to invite and prequalify reputable companies to participate in EKEDC's competitive tender process. Through this process, EKEDC seeks to appoint reputable companies for the execution of the CAPEX projects. Through this process EKEDC will engage companies interested in partnering with us for the execution of these performance improvement projects(PIPs).

### Scope of Operations and Services

The scope of the performance improvement projects shall include but not limited to the following:
